

Claims

1. Cosmetic preparation containing
 - a) at least two surfactants from the group of the compounds sodium lauryl sarcosinate, sodium monoalkyl phosphate, disodium lauryl sulfosuccinate, disodium cocoyl glutamate, α -olefin sulfonate, lauryl glucoside with a total surfactant concentration of 3 to 15 % by weight,
 - b) one or more hydrocolloids in a total concentration of 0.05 to 1 % by weight,
 - c) one or more water-soluble salts in a concentration of 1 to 4 % by weight,respectively based on the total weight of the preparation, in addition to optionally further cosmetic or dermatological active substances, auxiliary agents and additives and water.
2. Cosmetic preparation according to claim 1, characterized in that one or more hydrocolloids are chosen from the group of the compounds agar agar, carrageen, tragacanth, gum arabic, alginates, pectins, polyoses, guar gum, carob bean flower, starch, dextrins, gelatins, caseine, carboxymethylcellulose and other cellulose ethers, hydroxyethyl- and -propylcellulose and the like, polyacrylic and polymethacrylic compounds, vinyl polymers, polycarboxylic acids, polyethers, polyimines, polyamides, polysilicic acids, clay minerals, such as montmorillonites, zeolites, silicas.
3. Cosmetic preparation according to one of claims 1 or 2, characterized in that one or more water-soluble salts are chosen from the group of the compounds sodium chloride, potassium chloride, ammonium chloride, magnesium sulfate.

4. Cosmetic preparation according to one of claims 1 through 3, characterized in that it contains one or more preservatives in a total concentration of 0.1 to 1 % by weight, based on the total weight of the preparation.
5. Cosmetic preparation according to one of claims 1 through 4, characterized in that it contains solubilizers in a concentration of 0.1 to 1 % by weight based on the total weight of the preparation.
6. Cosmetic preparation according to one of claims 1 through 5, characterized in that it is stored as a foamable preparation in a pump foamer or an aerosol can and is applied from this.
7. Use of a cosmetic and/or dermatological preparation according to one of the preceding claims as a cleansing preparation for the skin.
